

# **Ancient solar container bar**

## Overview

---

They offer a creative, eco-friendly, and customizable alternative to traditional home bars. Whether you're looking for a rustic pub feel, a modern cocktail lounge, or a tropical tiki bar, repurposing a shipping container into a backyard bar is a fantastic way to maximize. This trendy container bar features a sleek white exterior with a giant porthole window—like it's a ship on a sea of grass. The large serving hatch opens up to a counter that practically says, "Fancy a drink?"

" Topping it all off is a rooftop deck, perfect for sipping grapefruit mojitos under the. , we specialize in thinking outside the box (or should we say, outside the container?)

) to bring you one-of-a-kind designs that will leave a lasting impression on your guests.
