

Cairo foreign-funded solar container equipment company

Overview

Cairo Solar is a solar engineering, procurement, construction, and financing company. It helps corporate and government entities and homeowners to minimize the cost of solar systems by paying in installments. Described as Zambia's inaugural solar facility equipped with battery storage, the project holds an estimated value of \$65 million. It is slated to commence commercial operations by September 2025, aiming to supply electricity to a minimum of 65,000 households. SOLERA specializes in providing a comprehensive range of solar energy solutions, including Solar Water Heaters and both on-grid and off-grid PV Systems. Dynamic search and list-building capabilities Real-time trigger alerts Comprehensive company profiles Valuable research and technology reports Get full access to view your D&B business credit file now for just \$39/month!
