

Cairo s first solar container company

Overview

CAIRO - 3 December 2023: Norway's Scatec and the Egyptian Electricity Holding Company (EEHC) have signed a cooperation agreement for the first a solar and battery storage project in Egypt. The project envisions the development of a 1-gigawatt (GW) solar plant and a 200 megawatt-hour (MWh) battery. The solar complex will cover 200,000 square meters (nearly 50 acres) in the Ain Sokhna industrial area, which is managed by the public authority of the Suez Canal Economic Zone. Construction is expected to take three years, from initial building to full operation. Who makes energy storage enclosures?

Machan offers comprehensive solutions for the manufacture of energy storage enclosures. To make green hydrogen a viable export commodity, Egypt must first stabilize its domestic energy supply and reduce its reliance on fossil fuels for electricity position as one of the leading renewables companies in Egypt.
