

Can the power storage box be sent by express

LPR Series 19'
Rack Mounted

Overview

Yes, you can send battery backups, including lithium batteries and devices like power banks, laptops, tablets, and cell phones by mail. Priority Mail Express[®] service provides 1–3 day delivery service by 6 PM with a money-back guarantee¹. Whether you're sending consumer electronics, power tools, or industrial equipment, this product category is among the most sensitive and regulated in logistics. Without the right preparation, things can go wrong – from damage in transit to fire risks, customs delays, or returns due to improper. However, batteries are classified as dangerous goods, because by definition they produce electricity from a chemical reaction.
