

Conch new solar container

Overview

The container is equipped with foldable high-efficiency solar panels, holding 168–336 panels that deliver 50–168 kWp of power. It is the perfect alternative to unstable grid power and diesel generators, keeping operations running even in remote areas or where infrastructure is. Get Costco Conch Group Lithium-ion Battery Solar Container products you love delivered to you in as fast as 1 hour with Costco Same-Day same-day delivery or curbside pickup. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar. Ever wondered how we'll keep the lights on when the sun isn't shining or the wind stops blowing?

Enter the Conch Group energy storage project, a game-changing initiative that's making renewable energy as reliable as your morning coffee. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design.
