

Electric vehicle solar container clean solar container warranty

Overview

Clean Solar guarantees all workmanship for 25 years – that’s more than most other companies in the industry. The 25-year term begins on the date of installation listed on the signed contract. But if something goes wrong with your electronics, especially your battery, the cost can be. Unlike the warranty on a gas-powered vehicle, an EV warranty puts a massive spotlight on the lithium-ion battery pack and electric drive units. Prospective electric car owners should spend a moment to learn the basics about manufacturer, dealer, and extended warranties as well as the differences between basic vehicle, powertrain, and battery warranties.
