

# **European solar container project settled in the uk**

## Overview

---

The decision was confirmed on Monday 24 November, marking a significant step forward in ABP's commitment to delivering sustainable energy solutions for industry. The Barrow EnergyDock project will see the installation of a floating solar array of up to 40MWp on Cavendish Dock. RWE, the UK's leading power generator, has received confirmation of planning permission for its Byers Gill Solar Farm located near Stockton and Darlington in. The 373 MW solar, 150 MW battery energy storage system (BESS) Cleve Hill Solar Park is currently under construction with full commissioning expected later in 2025. Strategic UK Expansion: Strengthens TotalEnergies' integrated electricity portfolio alongside offshore wind, CCGT, and solar assets.
