

# Fiji solar container hydraulic station manufacturer

## Overview

---

Clay Energy was established in 1998 providing off-grid solar, wind, and micro-hydro systems for rural homes and communities in Fiji. We have delivered sophisticated solutions throughout the region for over 25 years with over 25MW of the solar infrastructure deployed. Our key strength is our ability to provide a variety of customers with full 'turnkey' solutions. Established in 1970, CLYDE is a highly reputed Distributor & After-Sales Service provider in Fiji Islands & neighbouring South Pacific nations, for Power Generators, Construction Machinery, Water Pumps, Air Compressors, Farm Equipment and other Industrial, Commercial, Domestic utility products. We listen and learn from our customers at the same time as keeping right up to date with the latest training from our suppliers: Victron Energy, Hanwha Q-Cells and Narada Power - to name a few.
