

# Finland comprehensive mobile solar container power supply manufacturer

## Overview

---

The solution, based on Exide's Solition Mega Three container system, offers 1,7 MW of power capacity and 3,44 MWh of energy capacity, making it ideal for energy-intensive industrial applications such as foundries, manufacturing plants, and heavy-duty processing facilities. With Watula Greentech and our partners we help you to find new innovative solutions within the energy sector by modular and scaleable products. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar.
