

Green solar container system special offer

Overview

Yes, we offer comprehensive after-sales support including remote monitoring, maintenance services and technical support. Our mobile photovoltaic containers come with a warranty and optional service packages to ensure optimal performance throughout their lifespan. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. Unlike standard solar panel containers, LZY's mobile unit features a retractable solar panel unit for quick installation. What sets Solarfold™ apart is our patented dual-rail guiding mechanism, enabling automated.
