

Home solar container buyers

Overview

Our estimator shows how many solar panels your home needs. We generate an online cost and savings estimate. You choose how many solar companies send you an exact price by email or text. If you're dreaming of a sustainable lifestyle, our 40' Shipping Container Home with Solar Panels is perfect for you. With its own solar panels, you can live completely off the grid and reduce your carbon footprint. Prebuilt, fully customizable container homes designed for sustainable, off-grid living.
