

How big is the micro solar container center

easy to install and use

World wide Products

faster charging and discharging

Multiple protection with alarm systems

Can save energy

the battery capacity can be increased freely and flexibly according to the situation of home use.

Rechargeable lithium batteries use safe LiFePO₄

How big is the micro solar container center

Superkilen , Bjarke Ingels Group

"Our mission was to find the big picture in the extreme detail of a personal memory or story, which on the surface might appear insignificant, but once hunted down and enlarged became super big.
