Italy's Meloni rules out US military move on Greenland and

Speaking during a traditional New Year press conference, Meloni said the use of military action in Greenland would not be in anyone's interest and would have serious consequences for NATO.

NATO war begins? Greenland betrayed by Italy after Poland

Italy has just said NO to sending troops to Greenland--after Poland already rejected the idea. And tensions in the Arctic are rising, with Russia, China, and even U.S. interests in the mix. Italy
