

Latest warranty terms for home solar container batteries

Overview

Demonstrating just how good modern batteries are, the company Solar Insure has just introduced a 30-year warranty for home battery storage systems. Installers can now offer their customers 30 years of protection plus a battery replacement between years 11 to 30 if capacity falls below 50%. The more you know about warranty details, like cycle counts, throughput limits, terms, and common exclusions, the better you can make choices that boost your.
