Overview

Give us a call at (714) 841-9650 or e-mail our sales staff at sales@cableharness. Remember, this is just a sample of what we can do for you, and by no means represents a limit to our capabilities. We build high-quality wire harnesses by uniting design, data, and production under one roof. Our technology seamlessly connects the entire manufacturing process, giving technicians real-time visibility and eliminating bottlenecks that slow traditional builds. RND ENTERPRISES is an established leader in Southern California manufacturing of custom electronic cable harnesses, wire harnesses and molded cable assemblies. Why should you choose a lithium-ion battery storage container?

Flexibility and scalability: Compared with traditional energy storage power stations, lithium-ion battery storage containers can be transported by sea and land, no need to be installed in one fixed place and subject to geographical.
