

New home solar container equipment manufacturer address

Overview

We have cleverly combined solar panels, shipping containers, and homes to offer an eco-friendly, convenient, and affordable new living solution. We are a small team of builders and designers, our passion is creating comfortable, transportable, unique homes. Ecubed homes can easily be integrated with solar power, water collection systems, and other 'off-the-grid'. “ Tim has an artistic background, and so he brought some amazing ideas and suggestions that truly made it our home.
