

Outdoor solar container power supply advertising slogan

The advertisement features a central image of a white solar container with a stack of six inverters on top, set against a background of a house with solar panels on its roof. To the right of the container are four circular icons: a hand pointing to a button, a globe, a battery with a lightning bolt, and a bell with a lightning bolt. Below these icons are four lines of text: 'easy to install and use', 'World wide Products', 'faster charging and discharging', and 'Multiple protection with alarm systems'. At the bottom of the advertisement, the text reads: 'Can save energy', 'the battery capacity can be increased freely and flexibly according to the situation of home use.', and 'Rechargeable lithium batteries use safe LiFePO4'.

easy to install and use

World wide Products

faster charging and discharging

Multiple protection with alarm systems

Can save energy

the battery capacity can be increased freely and flexibly according to the situation of home use.

Rechargeable lithium batteries use safe LiFePO4
