

Overseas solar container warranty program

Overview

This guide breaks down the technical nuances of modern solar warranties, including the critical distinction between product and performance guarantees. A Solar Panel Warranty typically consists of two parts: the Product Warranty (10–25 years) covering manufacturing defects, and the Performance Warranty (25–30 years) guaranteeing 80–90% power output. 1 FRONIUS INTERNATIONAL GmbH with its business address at Froniusstrasse 1, 4643 Pettenbach, Austria (“FRONIUS”) grants a limited, voluntary manufacturer's warranty (the “LIMITED WARRANTY”) with regard to the products manufactured by it and described in more detail below in accordance with the. Transporting solar panels and other photovoltaic equipment requires specialized care and comprehensive insurance. The actual warranty start date shall be subject to the terms set out in the contract.
