PetroChina Company Limited

PetroChina is one of the major oil and gas producers and distributors in China, ranking among the leading international oil companies. It engages in a wide range of activities related to oil and natural ...

Home Energy Storage (Stackble system)

- Product Introduction**
- ☑ Scalable from 10 kWh to 50 kWh
 - ☑ Self-Consumption Optimization
 - ☑ Integrated with inverter to avoid the compatibility problem
 - ☑ LFP battery, safest and long cycle life
 - ☑ Stackable design, effortless installation
 - ☑ Capable of High-Powered Emergency-Backup and Off-Grid Function

PetroChina broke ground for its first 20,000 ton green hydrogen plant

(Ürümqi, Xinjiang) PetroChina began construction of its first 20,000 ton per annum green hydrogen production plant in Ürümqi, Xinjiang on July 25.
