

# Selling solar container batteries

## Overview

---

Finding the ideal marketplace for solar batteries involves various factors that go beyond simple transactions. Whether you're upgrading to higher-capacity storage or clearing out decommissioned solar systems, we help you unlock hidden value from your existing solar batteries. Battery storage is becoming standard, which means homeowners need clearer explanations and reps need sharper tools. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. We custom-source and supply solar panels and other solar system elements to match your specific requirements, including wattage, dimensions, mounting, and even color.
