

Solar container after-sales service

Overview

Yes, we offer comprehensive after-sales support including remote monitoring, maintenance services and technical support. Our mobile photovoltaic containers come with a warranty and optional service packages to ensure optimal performance throughout their lifespan. SolaraBox Services cover design, manufacture, deployment and lifecycle support for our solar containers. Customized configurations can take up to 8-10 weeks, with shipping times varying by destination. In the dynamic landscape of the solar industry, where technological advancements and sustainable solutions are at the forefront, one aspect stands out as a crucial pillar of success - after-sale service. It's road-ready and quick to deploy, making it ideal for remote worksites, disaster relief, events, and temporary camps — and in many cases, it can replace grid connections or.
