

Solar container bidding information

Overview

Bid on readily available Solar contracts with the best and most comprehensive government procurement platform, since 2002. The City of Tallahassee is soliciting proposals for utility-scale solar generation projects ranging from 2.9 MW and battery energy storage systems ranging from 10 MW to 25 MW with a 4-hour duration. A working understanding of contract development best practices and access to standardized solar contract templates and request for proposals (RFPs) will help reduce the time and cost associated with this process by improving project transparency and accountability while accelerating solar. These include government RFPs, RFTs, RFIs, RFQs in Renewable energy from federal.
