

Solar container conversion company

Overview

Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. The container is equipped with foldable high-efficiency solar panels, holding 168-336 panels that deliver 50-168 kWp of power. From innovative floor plans to green features, discover how you can easily achieve energy independence.
