

Solar container customer representative

Overview

The role of a Customer Service Representative in the solar industry is to provide exceptional support and assistance to customers throughout their solar energy journey. 2+ years of experience in customer service, sales, retention, or other customer-facing roles—preferably in a contact center environment. Founded in 2008, Sunpro Solar is one of the leading providers of rooftop solar in the United States. This role is pivotal in promoting renewable energy and involves collaboration with the sales.
