

Solar container dmc system

Overview

This medium solar power system will provide lighting for multiple shipping containers. The lights can be a string of DC LED A bulbs or 4' Vaportite DC LED fixtures which operate on a timer switch. Upgrade your shipping container home or office with a solar power kit and make the transition to off the grid living effortless! This system is designed to easily connect all your essential appliances (air-conditioners, computers, lights, microwaves and more). LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever.
