

# **Solar container industry personnel positions**

## Overview

---

Supervise field teams to lead safe and efficient solarphotovoltaic installations and assist Forepersons with crew leadership. Install solarphotovoltaic (PV) systems on rooftops or other structures in accordance with design schematics, local building codes, and safety. SEIA's member companies will need a pipeline of trained workers across the spectrum of roles from project managers to engineers, salespeople, manufacturing technicians, installers, electricians, system designers, operations managers, executives. Don't waste your time searching through irrelevant jobs on sites like Indeed if you are interested in.
