

Solar container project installation team

Home Energy Storage (Stackble system)

High Efficiency

Easy installation

Safe and Reliable

Perfect
Compatibility

Product Introduction

- Scalable from 10 kWh to 50 kWh
- Self-Consumption Optimization
- Integrated with inverter to avoid the compatibility problem

- LFP battery, safest and long cycle life
- Stackable design, effortlessly installation
- Capable of High-Powered
- Emergency-Backup and Off-Grid Function

Overview

Choose our expert, insured team for outstanding solar installation services, delivering quality workmanship and ensuring safety in every installation. SolaraBox Services cover design, manufacture, deployment and lifecycle support for our solar containers. So, what do you do to make setup simple, especially in the field?

Dissect it with me.
