

# Solar container research institute annual meeting

## Overview

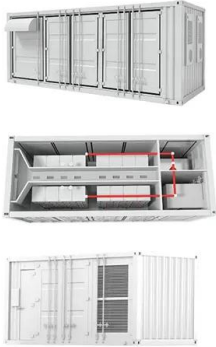

---

The Sustainability Research and Innovation Congress will celebrate its fifth anniversary in Chicago, Illinois, where it will be held from 16-19 June 2025 at the Sheraton Grand Chicago Riverwalk and online. As an independent, nonprofit organization for public interest energy and environmental research, we focus on electricity. PPI will do its best to keep this information up to date but we encourage you to refer to the websites for the various organizations whose meetings are listed below for the most accurate information. PSCI holds an Annual Meeting at the PACK EXPO tradeshow in the Fall of each year, which consists of a mix of industry leading speakers and extensive committee meetings.
