

# **Sri Lanka electric solar container wins bid**

## Overview

---

Trincomalee Power Company Limited (TPCL), a 50:50 joint venture between Sri Lanka's Ceylon Electricity Board (CEB) and India's NTPC Limited, has officially announced an engineering, procurement, and construction (EPC) tender for its Phase-1 50 MW ground-mounted solar photovoltaic. From January 01, 2027, onwards, CEB will only accept Type Test reports from accredited independent testing laboratories (criteria (a) above). TPCL requires the bidders to supply solar modules and a BESS system and undertake the EPC activities, to supply solar modules and the BESS system. Sri Lanka is taking another significant step towards a sustainable energy future with a new tender for a 50 MW solar power project. TendersOnTime, the best online tenders portal, provides latest Sri Lanka Solar tenders, RFP, Bids and eprocurement notices from various states and counties in Sri Lanka. The detailed TOR was discussed, and there were no changes to the original document.
