

Tender for rural solar container project

Overview

Vendors seeking to do business with the Department of General Services (DGS) can view current bid opportunities on the California State Contracts Register (CSCR). A working understanding of contract development best practices and access to standardized solar contract templates and request for proposals (RFPs) will help reduce the time and cost associated with this process by improving project transparency and accountability while accelerating solar. Find RFP searches and finds Renewable energy bids, contracts, and request for proposals. Open Solicitations can be searched by Commodity Description, County Department, Solicitation Title, Description and Number. Welcome to the California Purchasing Group! Register for extensive access to statewide RFPs, bids and awards throughout California.
