

# Top 10 industrial and commercial solar container companies developed

## Overview

---

Here's our list of the top commercial solar contractors in the US. Some of the major players in the solar container market include Yangzhou CIMC New Energy Equipment Co. (China), Ecosun Innovations (France), Faber Infrastructure GmbH (Germany), BoxPower Inc. Solar containers - known also as Trailer Accumulating Systems (TAS) are being used more and more as a simple but effective means of power generation for everything, from homes to schools with the year 2024 looming around. It's a lot to sort through, so we did a little digging to figure out which contractors are leading the pack when it comes to commercial solar energy. Our AI-powered database combines millions of company and investor profiles, making it simple to filter, search, and benchmark opportunities.
