

Us solar container field safety act

Overview

Choosing an item from citations and headings will bring you directly to the content. In accordance with the Portable Fuel Container Safety Act of 2020 (PFCSA), portable fuel containers must comply with the requirements specified in § 1461. I am writing to update Robert Kaye's July 3, 2024, letter, which announced that the Office of Compliance and Field Operations would extend enforcement discretion for pre-filled fuel containers (PFCs) with respect to the flame mitigation device requirements under the Portable Fuel Container Safety. PORTABLE FUEL CONTAINER SAFETY ACT REGULATION; CPSC-2022-0017 Stay informed as we add new reports & testimonies.
