

What is the profit analysis code for the industrial solar container sector

Overview

This list of Principal Business Activities and their associated codes is designed to classify an enterprise by the type of activity in which it is engaged to facilitate the administration of the Internal Revenue Code. These Principal Business Activity Codes are based on the North American Industry. Browse any of the 20 top-level NAICS sectors, organized by their respective sector numbers. Here, we draw on various sources to provide information on solar containers for emission-free power. The Standard Industrial Classification Codes that appear in a company's disseminated EDGAR filings indicate the company's type of business.
