

# Where to check the winning solar container bidders

## Overview

---

Vendors seeking to do business with the Department of General Services (DGS) can view current bid opportunities on the California State Contracts Register (CSCR). Getting started with the City's new procurement portal is simple! Begin your journey by choosing one of two options: register and create a vendor profile in the new eRSP system or re-activate your existing eRSP account. For further information, help or simply to give feedback on the site reach out to [vendors@fiscal](mailto:vendors@fiscal). Registered vendors benefit from more state and local government bid information in a central location, less paperwork and an easier method of doing business with California state & local governments.
