

Which companies are involved in athens solar container

Overview

SolarCont GmbH was created through a cooperation between the two successful companies Hilber Solar GmbH from beautiful Tyrol and the company Gföllner Fahrzeugbau und Containertechnik GmbH, which is deeply rooted in Upper Austria. As the capital of Greece, Athens is home to several renewable energy companies that are working towards a sustainable future. These companies are focused on creating innovative and efficient solutions to meet the energy needs of the city while reducing its carbon footprint. US-based renewable energy software provider Power Factors has announced its second European acquisition in as many months, securing a deal to acquire German peer.
