## Overview

---

SolarContainer is an unfunded company based in Grieskirchen (Austria), founded in 2022. Governments, humanitarian organizations, and private enterprises are focusing on solar containers to deliver sustainable, emission-free power for disaster relief, military operations, rural electrification, and construction projects. So the two goal-oriented and competent entrepreneurs Thomas Hilber and Karl Pühretmair decide to combine the forces of their renowned companies and to revolutionize the world of mobile high-performance solar systems. Established in 2012 and operating from Shanghai, China, Shanghai LZY Energy Storage Co. As the industry matures, selecting the right vendor becomes crucial for project success. Based on the availability of data, information related to new products and lexible, scalable renewable energy solutions.
